§ 609.17 Information, reports, and studies.

State agencies shall furnish to the Department such information and reports and conduct such studies as the Department determines are necessary or appropriate for carrying out the purposes of the UCFE Program.

Subpart C—Responsibilities of Federal Agencies

§ 609.20 Information to Federal civilian employees.

Each Federal agency shall:

(a) Furnish information to its employees as to their rights and responsibilities under the UCFE Program and 18 U.S.C. 1919; and

(b) Furnish a completed copy of a form approved by the Department, "Notice to Federal Employee About Unemployment Compensation," in accordance with instructions thereon, to each employee at the time of separation from Federal civilian service, when transferred from one payroll office to another, or when the office responsible for distribution of the form is advised that an individual is in nonpay status for seven consecutive days or more.

§ 609.21 Findings of Federal agency.

(a) *Answering request.* Within four workdays after receipt from a State agency of a request for Federal findings on a form furnished by the State agency, and prescribed by the Department, a Federal agency shall make such Federal findings, complete all copies of the form, and transmit the completed copies to the State agency. If documents necessary for completion of the form have been assigned to an agency records center or the Federal Records Center in St. Louis, the Federal agency shall obtain the necessary information from the records center. Any records center shall give priority to such a request.

(b) *Failure to meet time limit.* If a completed form containing the Federal agency's findings cannot be returned within four workdays of receipt, the Federal agency immediately shall inform the State agency, and shall in-

clude an estimated date by which the completed form will be returned.

(c) *Administrative control.* Each Federal agency shall maintain a control of all requests for Federal findings received by it, and the Federal agency's response to each request. The records shall be maintained so as to enable the Federal agency to ascertain at any time the number of such forms that have not been returned to State agencies, and the dates of the Federal agency's receipt of such unreturned forms.

§ 609.22 Correcting Federal findings.

If a Federal agency ascertains at any time within one year after it has returned a completed form reporting its findings, that any of its findings were erroneous, it shall promptly correct its error and forward its corrected findings to the State agency.

§ 609.23 Furnishing additional information.

On receipt of a request for additional information from a State agency, a Federal agency shall consider the information it supplied initially in connection with such request and shall review its findings. The Federal agency promptly shall forward to the State agency such additional findings as will respond to the request. The Federal agency shall, if possible, respond within four workdays after the receipt of a request under this section.

§ 609.24 Reconsideration of Federal findings.

On receipt of a request for reconsideration of Federal findings from a State agency, the Federal agency shall consider the initial information supplied in connection with such request and shall review its findings. The Federal agency shall correct any errors or omissions in its findings and shall affirm, modify, or reverse any or all of its findings in writing. The Federal agency promptly shall forward its reconsidered findings to the requesting authority. The Federal agency shall, if possible, respond within four workdays after the receipt of a request under this section.
